Re: FREE or reduced-cost swimming lessons

Symons Recreation Complex believes every child should learn how to swim. If you have been unable to enroll your child in swim lessons because of the cost, you are eligible for our Partnership with Youth program (PWY). The PWY program is made available through donations from United Givers and SRC members. With this program, lessons are available free or at a reduced cost for families that need financial assistance. The only restriction for the PWY program is that the child limits the use of the program to once per year; proof of income is not required.

Enrollment is based on a first-come, first-served basis. The regular cost of lessons is \$20 for SRC members, \$40 for non-members, \$90 maximum per family, or free / reduced through Partnership with Youth program (PWY).

Bring this completed form with you on the first day of class (or when you register) if you plan to use the PWY program. If you have more than one child to enroll, please list their information on a separate sheet.
