Re: FREE or reduced-cost Swimming Lessons

Symons Recreation Complex believes that every child should learn how to swim. If you have been unable to enroll your child in swim lessons because of the cost, you are eligible for our Partnership With Youth program (PWY).

The PWY program is made available through donations from United Givers and SRC members. With this program, lessons are available free or at a reduced cost for families that need financial assistance. The only restriction for the PWY program is that a child uses the program only once per year.

Lessons run year-round. We typically have three sessions each during fall, winter/spring, and summer. We can take your registration over the phone, so please call 608-647-8522 or come to SRC to register in person during the sign up period. Enrollment is based on a first-come, first-served basis. The cost of lessons is \$20 for SRC members, \$40 for non-members, \$90 maximum per family, **or free / reduced through Partnership With Youth program (PWY)**.

Bring this completed form with you on the first day of class (or when you register). If you have more than one child to enroll, please list their information on a separate sheet.
